**Subject: Copyright disclaimer on HPI2-NN**

To whom it may concern,

The Dutch Institute For Fundamental Energy Research (DIFFER) hereby disclaims all copyright interest in the model "HPI2-NN" (pellet fueling surrogate model) written by Alex Panera Alvarez during his contract period at DIFFER. DIFFER hereby provides permission to license "HPI2-NN" under MIT License conditions.

Best regards,

Martin van Breukelen  
*Institute Manager*
